# 3x3 OFFICIAL RULES OF THE GAME

## Court

The games will be played on a court with 1 basket including a free throw line (5.8m), a two-point line (6.75m) and a “no-charge semi-circle” area underneath the one basket.

## Teams

Each team shall consist of 4 players – 3 players on the court and 1 substitute.

Beginning of the Game. Both teams shall warm-up simultaneously prior to the game. A coin flip shall determine which team gets the first possession. The team that wins the coin flip can either choose to benefit from the ball possession at the beginning of the game or at the beginning of a potential overtime.

## How the Ball is Played

- Team possession following any dead ball situations shall start with a check-ball behind the arc at the top of the court.
- A team must attempt a shot within 12 seconds and resets once a shot hits the rim. The clock shall start as soon as the ball is in the offensive players' hands

Following each successful field goal or last free-throw:

- A player from a non-scoring team will resume the game by dribbling or passing the ball to a place on the court behind the arc. The defensive team is not allowed to play for the ball in the "no-charge semi-circle area" underneath the basket.

Following each unsuccessful field goal or last free-throw:

- If the offensive team rebounds the ball, it may continue to attempt the score without returning the ball behind the arc.
- If the defensive team rebounds the ball, it must return the ball behind the arc (by passing or dribbling).
- If the defensive team steals or blocks the ball, it must return the ball behind the arc (by passing or dribbling).

## Playing Time/Winner of a Game

The regular playing time shall be as follows:

- 1 period of 10 minutes playing time. The clock shall be stopped during dead ball situations and free throws.
- The first team which scores 21 points or more wins the game if it happens before the end of regular playing time.
- If the score is tied at the end of playing time, an overtime shall be played. The first team to score 2 points in the overtime wins the game.

## Scoring

- Every shot inside the arc shall be awarded 1 point.
- Every shot behind the arc shall be awarded 2 points.
- Every successful free throw shall be awarded 1 point.

## Fouls/Free Throws

- Individual fouls do not count towards disqualification, therefore, one cannot “foul-out” of a game. However, individual fouls still count towards “team fouls”
- A team is in penalty situation after it has committed 6 fouls.
- Fouls during the act of shooting inside the arc shall be awarded 1 free throw.
- Fouls during the act of shooting behind the arc shall be awarded 2 free throws.
- Fouls during the act of shooting followed by a successful field goal shall be awarded 1 additional free throw.
- Team fouls 7, 8, 9 shall always be awarded 2 free throws. The 10th and any subsequent team foul will be awarded with 2 free throws and ball possession.
- All technical fouls will be awarded with 1 free throw and ball possession; whilst unsportsmanlike fouls will be awarded with 2 free throws and ball possession.

## Substitutions

Substitutions can be done by any team when the ball becomes dead, prior to the check-ball or free throw.

## Time-Outs

Each team is granted one team time-out. Any player can call the time-out in a dead ball situation. All time-outs have a length of 30 seconds.

## Standings of Teams

Both in pools and in overall competition standings, the following classification rules apply.

1. Most wins (or win ratio in case of unequal number of games in inter-pool comparison);
2. Head-to-head confrontation
3. Most points scored in average (without considering winning scores of forfeits).
4. If teams are still tied after those three steps, the one(s) with the highest seeding win(s) the tie-breaker.
